### Lyrics

Don't keep me waiting  
I've been waiting all night to get closer  
And you already know I got it for ya  
You know the vibes, know the vibes, put it on ya  
If we're moving too fast, we can slow up  
Baby, this far from mediocre (no)  
You know the vibes, know the vibes

You and me here in this room  
Imagining things we could do  
Won't tell no lies, no lies to you  
I need you here, I need you here  
Mind running wild, we touching slow  
Just say the word, I'm ready to go  
Anticipation plays after four  
I need you now

Baby, I'ma get you right, I will  
When I touch you tell me how it feel  
Trust me, I'ma make it feel surreal  
Baby, mind of mine  
I'ma do all the things  
Type of things that happen in your dreams  
Get you right where you need to be  
Just don't keep me

Don't keep me waiting  
I've been waiting all night to get closer  
And you already know I got it for you  
You know the vibes, know the vibes, put it on ya  
If we're moving too fast, we can slow up  
Baby, this far from mediocre (no)  
You got the vibes, got the vibes

If I'm movin' too fast, too fast

Baby, I'ma get you right, I will  
When I touch you tell me how it feel  
Trust me, I'ma make it feel surreal  
Baby, mind of mine

I'ma do all the things  
Type of things that happen in your dreams  
Get you right where you need to be  
Just don't keep me

Don't keep me waiting  
I've been waiting all night to get closer  
And you already know I got it for you  
You know the vibes, know the vibes, put it on ya  
If we're moving too fast, we can slow up  
Baby, this far from mediocre (no)  
You got the vibes, got the vibes
