### Lyrics

Everybody knows my name now  
But somethin' 'bout it still feels strange  
Like lookin' in a mirror, tryna steady yourself  
And seein' somebody else  
And everything is not the same now  
It feels like all our lives have changed  
Maybe when I'm older, it'll all calm down  
But it's killin' me now

What if you had it all  
But nobody to call?  
Maybe then you'd know me  
'Cause I've had everything  
But no one's listening  
And that's just f- lonely

I'm so lonely  
Lonely

Everybody knows my past now  
Like my house was always made of glass  
And maybe that's the price you pay  
For the money and fame at an early age  
And everybody saw me sick  
And it felt like no one gave a sh-  
They criticized the things I did as an idiot kid

What if you had it all  
But nobody to call?  
Maybe then you'd know me  
'Cause I've had everything  
But no one's listening  
And that's just f- lonely

I'm so lonely  
Lonely  
I'm so lonely  
Lonely
